German, English, Italian, French

Carlo Conti is an Of Counsel in the field of Life Sciences and Health Law. He advises institutions and organizations on issues related to life sciences and health law, as well as on constitutional and administrative law matters. He is president or member of various boards of directors.

He has many years of professional experience and profound knowledge in all areas of life sciences and health law, as well as in constitutional and administrative law. For more than 15 years, he held executive positions in the pharmaceutical industry. Subsequently, Carlo Conti became a member of the state government in Basel-Stadt and head of the public health department. He was also president of the Swiss Conference of Public Health Ministers and chairman of the board of Swiss DRG AG, as well as vice president of the board of Swissmedic (the Swiss Agency for Therapeutic Products).
